FIRST IN RESULTS TO ADVERTISERS

NUMBER 1

High School to Start Year on Wed., Sept. 5

Aug. 20 and 21 Set for Registration Days for Freshmen

Antioch Township High school will open its fall term on Wednesday, Sept. 5, Principal T. R. Birkhead announces. Members of the staff will attend a Lake County Teachers' institute Tuesday, Sept. 4, in Waukegan, so there will be no classes on that date. The book store at the school will, however, be open on Sept. 4.

Letters were sent out from the high school last Saturday to announce registration days for freshmen and for those who wish to make changes in their registration, on Aug. 20 and 21, from 9 a. m. to 12 noon, and from 1 to 4 and 7 to 9 p. m.

Kroll Goes to Mundelein

There are still four vacancies on the staff, the principal states. Teachers are being sought to replace the following:

Albert Kroll, social sciences and physical education instructor and athletics coach, who has accepted the superintendency of the Mundelein elementary school system after serving here for the past three and one-half years. Kroll was elected mayor of Libertyville last spring.

Mrs. Helen Funkhouser, head of the commercial department, who is planning to teach in Montana this year in order to be near her parents, who have moved to that state from Nebraska.

Miss Imona Welker, who taught English and history here during the past year, and who will teach music at Dixon, Ill., this year.

Miss Mary Baxter, chemistry and biology teacher.

New Boiler, Stoker

Several projects have been under way at the school to get the building ready for the start of the fall term.

A new steam boiler and a new stoker are being installed under the charge of the Carey Electric and Plumbing shop.

Fluorescent lights are being installed in the offices, library and sewing room.

Nelson and Drury are painting the cafeteria, library, offices and dramatic rooms.

"Tuck pointing" of the masonry outside and patching and repairing of plaster in the interior is under the charge of La Plant.

New roofs are being put on the gymnasium and the coal bin by the Waukegan Roofing company. Some time during August, also, an asphalt tile floor is to be laid in the cafeteria, under the charge of Borregard of Waukegan.

John Harms and C. E. Cunningham of the maintenance staff have been on duty all summer at the school, cleaning and re-finishing floors and furniture, keeping up the grounds and giving the high school a general "housecleaning."

Miss Adele Miller, secretary, who has also been on duty during the summer months, started a two-week vacation last weekend. She plans to spend a part of it with Miss Clara Weber at Champaign, Ill.

Principal Birkhead has completed some summer courses at the University of Chicago. These included studies of the advances made in using audio-visual aids in education, a course in urban school administration, and studies in guidance in secondary schools.

Legion to Sponsor Dance for Benefit of H. S. Floodlights

Losing no time in leading its support to the project of lighting the Antioch Township High School athletic field, which has been inaugurated by the Lions club, the Antioch American Legion made plans at a meeting Thursday evening for a benefit dance to be held the evening of Armistice Day, Nov. 11.

The Lions club will "start the ball rolling" with its carnival Friday, Saturday, Sunday and Monday, Aug. 31 and Sept. 1, 2 and 3.

It is hoped by the sponsors that the work of setting up the lighting system will be completed by the start of this year's football season.

About 450 water bills are now being mailed out to Antioch municipal water users, Village Clerk Roy L. Murrie estimates.

Bills, dated Aug. 1 are to be paid by Aug. 15 in order to qualify for the discount, he observes. During the 12 previous years they were payable at the First National bank. At the present time, however, they are payable at the State bank.

Antioch Youth Wins County Garden Honors

Robert Kufalk, son of Mr. and Mrs. Roy I. Kufalk, has been announced as Lake county winner of the 4-H club garden project. "Bob" is a senior this year at Antioch Township High school.

Judging took place last Wednesday and pictures of the gardens were taken Friday.

Richard Wells, son of Mr. and Mrs. Curtis Wells, Highway 173, was the winner last year.

News of the Boys in Service

Richard Stasny, RM 3/c, has been spending a 10-day furlough with his parents, Mr. and Mrs. Joseph Stasny of Lake Villa, en route from Atlantic City, N. J., where he has been stationed for the past six months, to Seattle, Wash.

Corp. William J. Overton, USMC, San Francisco Fleet post office, sends in greetings and his request for the paper.

"I understand that a request, from me, is necessary to keep 'em coming. This, then, is my request that the Antioch News continue to keep my copy on the active overseas mailing list."

"May I take this opportunity to thank you for sending me the paper in the past. It has proved an excellent means of keeping in touch with old friends. I have found, too, that a number of my friends in the service who are from Chicago are interested in things going on in and around Antioch."

Pvt. Leslie Dale Rider, 18, son of Ernest Rider, Route 2, has arrived at the Camp Wolters, Tex., infantry replacement training center to begin his basic training as an infantryman. He has been assigned to a battalion stressing rifle training.

R. H. Cobb, AOM 3/c, is at the Naval Aviation Technical Training center, Jacksonville, Fla., as an instructor.

"Well, I am on my way out," writes Fred J. Zilke, AAM 1/c. "Camp Elliott wasn't too good, but o. k. for transfer. The weather in San Diego is ideal—cool in the morning and evenings, and hot throughout the day. No mosquitoes, like in Florida."

"We don't know where we are going, but it's toward Tokyo, Japan."

"Would like you to continue my name on your list for the Antioch News. I've missed it the last three weeks, and suppose it won't catch up with me as quickly as it used to."

S/Sgt. Harold G. Arnold is now at Blytheville, Ark., after spending a 15-day furlough with his parents, Mr. and Mrs. (Continued on page 5)

All Set for Rescue Squad Benefit Dance

Fourth Annual Party Will be Held Next Thurs. Night

A highlight of the summer social season in the Lakes region is the fourth annual Antioch Rescue Squad Benefit dance, to be held Thursday evening, Aug. 16, in the Channel Lake pavilion.

Ed Klemme and his orchestra will furnish music for the dancing. In addition there will be various other entertainment features.

To Serve Refreshments

Refreshments will be available, it is announced, and there will be ample parking space.

Members of the squad, in uniform, will be present to act as reception and general supervisory committees. Proceeds of the dance each year are used for the purchase of new equipment. Services of squad members are donated.

Oak Park Rites Pay Final Tribute to Mrs. H. Warner

Channel Lake Resident Passes Away at St. Therese, Friday

Funeral services were held at 3 o'clock Monday afternoon in the chapel at 720 Lake street, Oak Park, Ill., for Mrs. Dede Warner, 74, wife of Harry L. Warner, Channel Lake. Interment was in Forest Home cemetery.

She was the mother of Stanley F. Warner, Oak Park, and Mrs. W. N. MacGowan, Bethesda, Md. A grandson, Billy MacGowan, aerographer's mate, is now serving with the navy, aboard an aircraft carrier in the Pacific theater of action.

She is also survived by two sisters, Mrs. Nellie Coger and Mrs. C. F. Babcock, Aurora, Ill.

Mrs. Warner was born at Batavia, Ill. During the past 25 years she and Mr. Warner have maintained a summer home at Channel Lake, where they have resided permanently during the past 10 years. Until two years ago, they spent the winter months in Florida.

Mrs. Warner had been in poor health for some time, and entered St. Therese hospital in Waukegan as a patient last Tuesday. She passed away there Friday.

The Rev. W. C. Graham, pastor of the Oak Park First Presbyterian church, was in charge of the services, which were attended by many from Antioch.

Mrs. Annie Hoffman, Millburn, Long Ill., Dies at Age of 82

Services are Held Monday; Burial is in Millburn Cemetery

Ill for several months, Mrs. Annie Hoffman, 82, a resident of Millburn for 15 years, passed away in St. Therese hospital Thursday.

The Rev. L. H. Messersmith, pastor, and Dean Howard Ganster of Waukegan, officiated at services in the Millburn Congregational church Monday at 2 p. m. The body rested at the Strang Funeral home in Grayslake until the time of the services.

Interment was in Millburn cemetery.

Survivors include a foster son, Edward Druce Hoffman; a brother, Michael, Rockford; two sisters, Tracy Sheldon, Lake Villa, and Mrs. Maggie Gleason, Waukegan.

Her husband, Marcus, passed away Feb. 16, 1936.

John Henry Smitherman, L. Villa, Dies Suddenly

The body of John Henry Smitherman, Lake Villa, who died suddenly Saturday at the age of 49, is being taken to Springfield, Mass., for burial by cremation.

Survivors include his wife, Lydia M. Smitherman, and two sisters, Mrs. James Vicker and Mrs. Wallace Whittier, both of Springfield.

Mrs. Elizabeth Behler and sons Glenn and S. K. 1/c Pershing, were guests of Mrs. H. B. Gaston Monday.

News Enters 60th Year With Today's Issue

With this issue, the Antioch News enters upon its sixtieth year of service to the Lakes region and surrounding territory.

During the past three or four years its travels have extended far beyond its original little sphere, for copies of the paper have followed Antioch area youths wherever they have gone in the armed service of their country—and their travels have taken them to practically every part of the world.

The 60 years since Issue No. 1 of Volume No. 1 was published have been amazing years in the history of the world. They have seen the "taming of the West" completed, the rise of great industries; the coming of the automobile, motor transport and the stream-line diesel-drawn train, which in turn have been eclipsed by spectacular aviation transport; they have seen astounding advances in medicine, the opening of whole new frontiers of accomplishments in manufacture of plastics and synthetics; they have seen the far spots of the earth brought close to one's own doorstep; they have been darkened by some of the most appalling cruelties in the history of the world and brightened by some of the finest idealism and noblest deeds that were ever known.

And through them all, people have remained just about the same sort of folks that they have been for some thousands of years—basically perhaps not much better or much worse, either.

While this may be a disheartening thought to those who have hoped that mankind might show some improvement, it may nevertheless be reassuring, too.

At any rate, it is an interesting experience to look into the files of the Antioch News of 50 and 60 years ago and see that people had just about the same aims and foibles then as now, and the same lively curiosity as to what the next year would bring.

Could they have had the power to look into the future, how some of the strange new things of today, culminating with the atomic bomb, would have fascinated many of the old timers!

As the News enters upon its diamond jubilee era, at a time when prospects for a speedy termination of the war look brighter than they have for some years, it seems particularly appropriate to send a word of greeting to those who have been doing their part, often in far distant countries and under circumstances not too pleasant, to help to bring about that peace.

We hope that when the paper goes to press a year from now it will be recording the little happenings of a little corner of a brighter and better world—and that many of you who are now on foreign shores may be home by then!

Falls Down Embankment, Cuts Knee; 13 Stitches

A cut on the left knee necessitating 13 stitches to close the wound was suffered by Valerie Plutz, 9, daughter of Mr. and Mrs. Leonard Plutz of 358 East Seventy-seventh street, Chicago, in a fall down a steep embankment at Channel Lake late last Wednesday afternoon.

She was removed to Victory Memorial hospital in Waukegan by the Antioch Rescue squad and was dismissed after receiving emergency treatment.

Minor scratches and bruises were also suffered by Valerie in her fall of about 25 feet, in addition to the cut on her knee.

Races at Mineola Hotel Are Being Set for Aug. 19

Classes for "Novices" and for "Family Outboards" Planned

Two new events are planned for the next races to be sponsored by the Chain O'Lakes Boat club, according to plans made at a meeting in the Helvetia hotel Saturday evening.

The races will take place at the Mineola hotel on Sunday, Aug. 19, instead of on Aug. 12, as planned earlier.

The new events will include a classification for novices, from which those who have won trophies in races will be barred. All boats must be piloted by their registered owners, it is announced.

Ten or more entries have already been assured in the 95 horsepower class, the race committees state.

There will also be a "family outboard" classification, limited strictly to everyday-duty boats, according to the plans now being drawn up.

Sister of Antioch Woman Dies After Month's Illness

Antioch friends of the family learned with regret of the death of Mrs. Frank Decker, 44, Waukegan, sister of Mrs. F. A. (Ellen) Swenson of Antioch, Saturday in Victory Memorial hospital.

Although she had been ill for a month, her death was unexpected and was a shock to members of the family and their many friends.

She had only recently visited at the Swenson home.

Services were held Tuesday at 2 o'clock from the funeral home at 1521 Washington street in Waukegan, with the Rev. L. H. Messersmith of Millburn Congregational church officiating. Interment was in Warren cemetery.

Surviving are her husband, their three daughters, Mrs. Betty Shorman, Mrs. Bessie Hattendorf and Miss Bertha May Baker; a son, Frank, Jr.; four grandchildren; her mother, Mrs. William Protine, all of Waukegan, and two sisters, Mrs. Swenson, and Mrs. Martha Belle of Waukegan.

Village Board Votes \$22,245 Budget for Year

Annual Appropriation Ordinance Shows Decrease of \$1,905

The annual appropriation ordinance for the village of Antioch, which was published in the Antioch News issue of June 21, and which calls for a total sum of \$22,245 this year, was adopted at a meeting of the village board Tuesday evening. This is a reduction of \$1,905 from last year's budget of \$24,250.

Items in the ordinance include salaries of municipal officers and employees, \$3,500; printing, office supplies and expenses, \$300; heating and operating cost of village hall and fire and police stations, \$200; lighting of public streets, alleys and public buildings and places, \$1,800.00; maintenance and repair of streets and alleys, \$300; maintenance and repair of public buildings \$200; maintenance of parks, \$250; maintenance of playgrounds, \$250; residuary and contingent funds, \$500. (The parks and playgrounds fund last year amounted to \$3,500; the bonded indebtedness, \$1,375.)

In addition, the ordinance allows for maintenance and repair of streets, \$200; maintenance and repair of bridges, \$200; maintenance and operation of the fire department (a salary and wages of chief and members, \$400, (b), maintenance, repair and upkeep of fire trucks, apparatus and equipment, \$1,800.

Bonds will be retired in the amount of \$1,100, with interest on bonded indebtedness, \$110.

To Lower Sidewalk

Property owners in the block between First street and Winsor drive were given permission to lower the sidewalk to conform to grade, making it more convenient for people living in this block to maneuver their automobiles into their driveways.

At present the walk is so much higher than the curb that many drivers have reported damage to the mufflers of their cars, which struck the pavement as they attempted to "make the grade."

This condition resulted at the time the street was paved, as the street was lowered then.

Lions Granted Permit

The Antioch Lions club was granted a permit to hold a carnival Aug. 31 and Sept. 1, 2 and 3.

Freak Accidents Are Reported After Storm

Considerable damage in nearby areas, as well as some freak accidents, resulted from electrical storms Tuesday night of last week.

The Albert Peterson barn in Seneca township near Franklinville was destroyed by fire started by a bolt of lightning. Woodstock papers report, Peterson, who was in the barn milking at the time, was knocked to the floor but not seriously injured. Peterson was able to get the cattle out except for five calves. Neighbors managed to help save some of the farm equipment, but losses in hay and oats, as well as the loss of the building, were heavy.

A few moments previously, the Henry Secor barn close by had been struck and Secor was knocked down. The building did not catch fire, however.

The mirror of a dressing table in the room occupied by Miss Marge Kuppe in her home on Amsterdam street in Woodstock was shattered by a bolt of lightning. Miss Kuppe had planned to write letters, using the dressing table as a desk, but had decided to lie down instead and had fallen asleep a short time before the bolt struck.

In Burlington, Wis., Blacksmith Guy Throe and Mrs. Throe awoke at 4:45 a. m. to see a 12-inch ball of fire clinging to the ceiling light fixture of their first-floor bedroom. The ball exploded with such force that horses in a nearby pasture began to stampede. The room was filled with smoke, but there was no other damage.

An investigation by Throe revealed that the bolt had ripped off a roof shingle, slanted through the roof and then down the outside of the house, ripping loose the wooden siding, torn a hole in the window screen of a second story store room, welding the edges together, knocked off some inside plaster and charred a hole in the floor directly above the bedroom light fixture.

The Antioch American Legion Auxiliary unit will meet Friday evening in the home of Mrs. Lillian Hand.

A fatal heart attack suffered by a member of the household staff brought a call to the E. J. Lehmann estate.

Both cars were badly damaged in a collision at the intersection of highways 59 and 173 Friday at 10:50 p. m. Charles N. Ackerman, Indian point, was given first aid for minor injuries. The name of the other driver was not ascertained.

J. Hitchcock, 17, who was boating on Hastings lake, was given first aid when he accidentally became submerged in the water Friday at 6:45 p. m.

Japan Worries—Several Years Too Late

News items these days occasionally refer to the Japanese as being unwilling yet to surrender because of the desire to "save face."

Strange that they didn't consider the possibility of losing before the Pearl Harbor attack, or maybe even before the start of the attacks on China.

To our crude western ways of thinking, which consider dishonor worse than defeat, it would seem as though Japan had lost too much "face" in years past to worry about the little additional loss that admission of defeat would bring.

It seems to us that a defeated nation can still be looked upon with respect and regret—Norway and Greece are among the examples that come to mind at the moment—just as a person who has once been wealthy and is now poor can still be respected.

However, in nations as in persons, a course of action that was not exactly in keeping with honorable principles, and upon which that nation or person deliberately embarked, can scarcely command respect, nor is it apt to gather any added blackness from the admission that the person or nation is no longer able to continue such an action.

It isn't the defeat that makes for lack of respect for the beaten nation or the jailed criminal—it's the embarking on a wrong course of action in the first place.

Even people who aren't any too good themselves admire good qualities in others and dislike bad acts in others. So, it would seem, it is with nations.

With all that some of our finest manhood has suffered, we do not rejoice over the sufferings of the common people in Germany or Japan. To us, it is the sad result of the courses of action which those countries followed, and which, it would seem, they might have foreseen—and which, perhaps, some among them did foresee. We, too, have had people of our country suffer because of those courses of action—courses which we ourselves had no part in setting, but which have resulted in much sorrow for us, too, in the loss of many fine young men and in suffering for many others.

No, we can't shed too many tears over Japan's

sufferings or "loss of face." Nor over the news that persons in Germany guilty of war crimes are being sentenced and punished. We're just too busy remembering the years of suffering inflicted upon innocent people by courses of action which those nations have followed in the past—and the arrogance they displayed when they felt that they were "getting away with it" at, you might say, a profit.

We so-called "commercial-minded Americans" can't see much in a philosophy of life that bases the happiness of a few upon the suffering of the many.

And when such a philosophy is defeated, we are rather more inclined to thank the Almighty for giving us the strength to defeat it than to sit around feeling sorry for its proponents.

We dollar-minded Americans, strangely enough, would like to see not only our own country and our own people, but all other nations and countries, too, happy and prosperous.

And somehow, we don't think that aggression, brutality, needless suffering, armed robbery or oppression are exactly the right mediums for bringing about a new order or whatever degree of universal happiness may be possible on this earth.

Yes, it's a very strange thing, but we can't feel too sorry about Japan's loss of face. As a contemporary paper put it rather neatly the other day—maybe Japan will be lucky not to "lose neck" as well as "face."

National Thrift Has Virtues

The Federal Trade Commission has just completed a report on "Milk Distribution, Prices, Spreads, and Profits." It gets exactly nowhere, for it dodges such basic questions as labor, taxation, and feed costs. Everyone has raised their charges, including government (taxes). All of these costs must be paid by the consumer who in a thousand different ways is responsible for forcing costs up. When wages go up and taxes go up, all material prices go up, and food goes up, including milk.

It seems almost childish for Federal agencies to go to the expense of long-winded investigations and then dodge the real causes for the higher cost of living, which will continue to advance under a national policy which shudders at the idea of thrift. Our standard of living will drop until this policy is revised.

Uphold American Traditions at Home

The Hon. John R. McCarl, for 15 years Comptroller General of the United States, says: "Send strong men to Congress. A weak Congress imperils the nation. A strong Congress, sustained by an informed, interested and alert citizenry, protects freedom and is vital to national safety."

Burial was in the family plot at the Holy Name cemetery.

MRS. FRIEDA W. HASSELMAN.

PASSES, SERVICES WED. Mrs. George Hasselman died at the Burlington hospital Sunday morning, Aug. 5 following a long illness. She was born Nov. 30, 1893, at Fox River in Kenosha county, the daughter of Karl and Marie Greenwald Wilke. On June 22, 1926 she was married to George Hasselman of Wilmot.

Mrs. Hasselman is survived by her husband, a brother, William Wilke, Burlington, two half-brothers, Albert Schwadler, Waterford, and Arthur Schwadler, Rochester; two step-brothers, Rudolph and Otto Schwadler of Rochester, and two step-sisters, Mrs. Anna McNutt, Freeport, Ill., and Mrs. Minnie Dorn of Milwaukee.

Funeral services were held at Peace Lutheran church Wednesday afternoon, at 2 o'clock with burial in the Wilmot cemetery.

Antioch will Benefit FROM THIS NATION-WIDE ADVERTISING

Chicago and Northern Illinois

Industries locating in this area have these outstanding advantages—

Railroad Center of the United States... Served by 22 trunk line and 17 belt, terminal and industrial railroads—within overnight reach of 50,000,000 consumers.

The "Great Central Market"... Retail and wholesale trade of more than eight billion dollars annually.

Financial Center... More than eight billion dollars of financial assets available to business.

Adequate Postwar Labor Supply... Skilled and unskilled, for diversified industry and construction—best record for good labor relations.

2,500,000 Kilowatts of Power... Pivotal supply for industry, home and farm.

Abundant Gas and Oil... Large-volume pipelines direct from country's greatest sources.

Great Inland Port... The harbors of the Chicago area normally handle more water-borne traffic each year than does the Panama Canal.

Great Food Producing and Processing Center... In the heart of the nation's richest agricultural lands.

Leader in Iron and Steel Manufacturing... Chicago Industrial Area ranks high in the manufacture of iron and steel products.

Tremendous Coal Reserves... Short haul from great central bituminous fields.

World Airport... For national and international air transport.

Geographical Center of U. S. Population... Has gradually moved westward—now located within this area.

Good Government... Complete and efficient community services.

Good Living... Fine home communities, shopping centers, recreational facilities, schools, colleges, hospitals and churches.

These are some of the advantages that make Chicago and Northern Illinois pre-eminent in the industrial future of the United States—the first consideration in a choice of industrial relocation. As an aid to business, agriculture and industry, wherever located, we have established a department to assemble and make available factual data concerning this area.

In carrying forward this work, we will cooperate fully with all other agencies interested in the progress of Chicago and Northern Illinois. It's funny how time can fool you . . .

Looking backward, ten years doesn't seem so long.

But looking ahead—

10 YRS. AGO 10 YRS. FROM NOW

ten years seems like an eternity. And that's the reason why many people never save money . . .

Looking backward, they wish—oh, how they

wish!—they'd started saving ten years ago. Looking ahead, ten years of saving seems like such a long, tiresome program that they never get started.

Look at this!

Suppose you had been able to start just ten years ago to put only \$3.75 each week in United States Government "Series E" Bonds.

Today—right now!—your bonds would be worth \$2,163.45. A tidy sum!

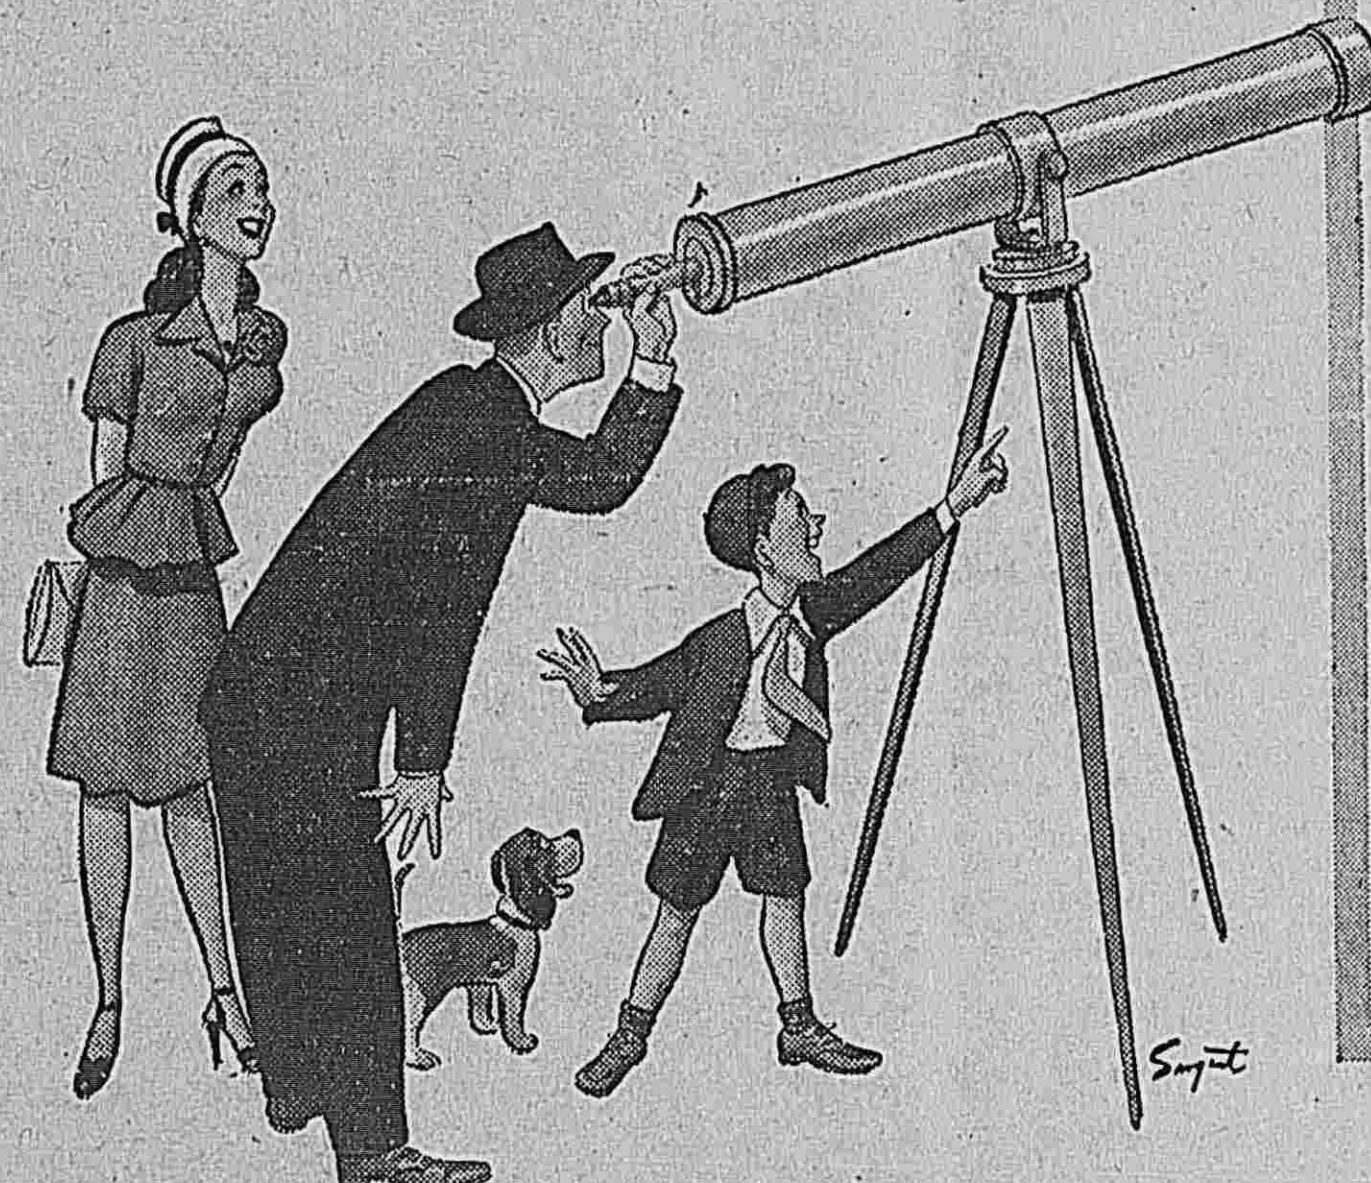

Well—why not start a savings program like that? Why not make the next ten years work for you—the ten years that seem so long now, but that will seem so short, come 1955?

There's a War Bond Timetable on this page.

It shows how regular savings of certain weekly sums accumulate—principal and interest.

Set your goal. Then keep on buying and holding War Bonds until you reach your objective.

Some day you'll say, "It was the smartest thing I ever did!"

This is what happens when you pay \$75 for a \$100 Series E Bond

After 2 years it's worth . . . \$76.50
After 4 years it's worth . . . \$80.00
After 6 years it's worth . . . \$84.00
After 8 years it's worth . . . \$92.00
In 10 years it's worth . . . \$100.00

And—if you save regularly each week this is what will happen:

WAR BOND TIMETABLE

Weekly Savings	SAVINGS AND INTEREST ACCUMULATED		
	In 1 Year	In 5 Years	In 10 Years

SOCIETY EVENTS

Shirley Hennings, Navy Man, Wed in Candlelight Rites

At a double-ring candlelight ceremony at the Antioch Methodist church last evening at 8 o'clock, Miss Shirley Ardelie Hennings, daughter of Mr. and Mrs. C. E. Hennings, 880 Hillside avenue, became the bride of Clyde C. McLain, MM 1/c, son of Mrs. Viola McLain, Parkersburg, Va.

The Rev. L. V. Sittler, Waukegan, read the service for which Marion Spangard acted as musician. The solo, "Because," was sung by Mrs. Helen Carlson.

The bride's gown was of white eyelet embroidery, over which fell a long veil, and her bouquet was sheaf of white gladioli.

Miss Theodora Hennings, who was her sister's maid of honor, was gown in yellow and carried orchid sweet peas, Talisman roses and asters. Miss Bette Hanke, the bridesmaid, was in aquamarine blue, and she also carried Talisman roses, sweet peas and asters, in shades to harmonize with her gown.

The little Misses Sigrid Petersen and Elizabeth Frazier, who were flower girls for their aunt, were frocked, respectively, in peach and blue, and carried baskets from which they scattered vari-colored flowers.

For the ceremony and a reception for 70 guests which was held in the Guild hall of St. Ignatius' church afterward, the bride's mother wore a navy blue gown and a corsage of peach-colored gladioli.

After a short honeymoon trip to the Dells of the Wisconsin river, the couple will leave for a visit with the bridegroom's mother and other relatives in Parkersburg.

The bridegroom has been in the navy for about three years, of which 31 months were spent on sea and overseas duty. He is at present on a 30-day furlough, after which he will again report for overseas duty.

Prior to her marriage, the bride was employed by the Fansteel company in North Chicago. She is a graduate of Antioch Township High school and Antioch Grade school.

Guests from away who attended the wedding included the bridegroom's sister, WAVE Frieda McLain, Washington, D. C.; the bride's uncle and aunt, Mr. and Mrs. Joseph Fitzgerald of Oak Park, Ill.; Mr. and Mrs. Ed Melcher, Cicero, Ill.; Mr. and Mrs. Arthur Biladeau and Mrs. J. C. Nixon and son, daughter-in-law and grandchildren, all of Chicago.

Mr. and Mrs. F. P. Solomon and Mr. and Mrs. Charles Solomon of Toronto, Canada, are visiting their son and brother, Walter Solomon, and family at their Lake Catherine home. This is the first visit the Solomons have made to the Lakes Region in the past ten years.

Mr. and Mrs. Michael Donohue and family of Chicago, were guests of Mr. Donohue's sister, Mrs. Vincent Nedball, and daughters Sunday.

Don't forget the Order Eastern Star Officers club card party Thursday, Aug. 16 at 1:30 o'clock, at the Walter Selter home on Grass Lake road. Refreshments and prizes.

Eric Woodley (Dean Williams), son of Mrs. Lillian Hand of Antioch, is now on a tour of the Pacific theater of action with an entertainment unit. He may be addressed care of USO Camp Shows Unit No. 584, SSO, CPBC, San Francisco, APO 956.

Library News

"Prelude to Night" by Dayton Stoddard is the story of "Hoss" Vendig's rise from a poor Boston youth to wealth and power in New York, via Harvard, snobbery, and magnetic ruthlessness. Theodore Dreiser praises the novel as "brilliant."

Norah Loft's historical romances are serious stories of violence and passionate conflicts handled with skill and understanding. "Jassy" is another of her remarkable heroines.

"Son and Stranger" by Joan Charles explores the theme of a relationship between mother and son, which, though founded on love and mutual trust, gradually becomes an insidious force for destruction. It is a novel of deft penetrating humor.

In "Give me the Stars," Gladys Taber tells of the girls who had left homes of all kinds to work together in the great shops, making the munitions of war. Leslie March worked beside them on a conveyor belt and learned the strength and loyalty war calls forth.

Bucklin Moon has edited an anthology of the best writing both fiction and non-fiction, on the Negro in America. Called "Primer for White Folks," it presents a comprehensive picture of the Negro from the time he left Africa to the present day, and offers constructive speculation about the future of America's most acute social dilemma.

Creeping Cloth

To prevent light, thin cloth from "creeping" when cutting it, baste a heavy piece of paper to the underside, then cut through both paper and cloth.

"SILVER TEA" IS ATTENDED BY 25

"Enrico Caruso," a biography of the famous tenor written by his widow, was reviewed by Mrs. W. C. Petty at a "silver tea" held in the home of Mrs. D. N. Deering yesterday afternoon. Wesley circle of the Antioch Methodist church sponsored the tea, at which 25 were present.

Piano solos were played by Billy Deering and by little Miss Rosemary Sellabaum, who is making her home with Mr. and Mrs. R. S. Winship.

ANTIOCH ACES WILL ATTEND GURNEE MEET

Plans were made by the Antioch Aces 4-H club at a meeting Tuesday in the home of Mrs. E. Anderson, for attendance at the Lake County 4-H Achievement Day, Aug. 15 in Gurnee. Each girl will bring a box lunch to be judged. There will also be a booth.

Good Attendance Is Expected for Card Party at St. Peter's

Advance sales of tickets for the annual August card party of St. Peter's parish indicate that a large crowd will be present for the affair, to be held at 2 o'clock Wednesday afternoon, Aug. 15, in St. Peter's hall.

Additional plans for the party were made at a meeting of the Altar and Rosary society Monday evening.

Committees, under the general leadership of Mrs. Thomas Killoran, president of the Altar and Rosary society, and the Rev. F. M. Flaherty, rector of the parish, include the following:

Tickets, Mmes. Frank Roblin, Ed F. Vos; advertising, Mrs. Thomas F. Hunt; refreshments, Mmes. John Doyle, Eikmeyer, James Caple, Thomas Runyard, William A. Rosing; the Misses Vos and the Misses Runyard.

Additional prizes, Mrs. L. V. Maden, Mrs. Killoran; reception, Mmes. Walters, Killoran, W. A. Biron, Quilty, Eugene Sheehan, Lester Osmond, Sr., Dudley Kennedy, Cermak and Himens.

Miss Lucille Rhymmer was featured as a pianist in a recent stage program at the Orpheum theater in Kenosha. Miss Rhymmer, daughter of Mr. and Mrs. Joseph Rhymmer, Loon Lake, is the musician at the Christian Science church in Antioch, and also took part in a number of programs at Antioch Township High school, from which she was graduated last June. She is a pupil of Miss Anna Wade, who presented her in a recital in Kenosha last winter.

Mrs. R. A. Arnold, at Ravenglen Farms.

Since returning a year ago from two years' service overseas, Sgt. Arnold has been stationed at a number of different army locations in this country. He took part in the African campaign, having enlisted about two years before the United States entered the war.

Most of his service has been with the "Famous First" Army Air force. He has now been transferred to the Troop Carrier command, a branch of the Army Air force.

Santa Ana, Calif.—Capt. William M. Walker, 28, son of Mr. and Mrs. William Walker, Jr., Grand avenue, Lake Villa, is at present assigned to the AAF Redistribution Station No. 4 at Santa Ana Army Air base.

Capt. Walker, an A-20 and A-26 pilot in the Ninth Air force with 64 combat missions to his credit, entered the service Dec. 17, 1941, and went overseas in March, 1944.

He has been awarded the Distinguished Flying cross, the Air medal with 11 Oak Leaf clusters, and the European theater ribbon with four battle stars.

At this redistribution station, an operation of the Personnel Distribution command, combat returnees of the AAF receive complete medical examinations, classification interviews and reassignment to domestic stations of the Army Air forces.

CLARENCE W. DRESSSEL MAKES BREMERHAVEN TRIP ON S. S. "BLACK WARRIOR"

The following note has been received from the Edward P. Dressels, Lake Marie—

"Thanks for sending out copies of the paper with the writeup about Edward. (Ed. Note: Edward P. Dressel, Jr., MM 3/c, care of San Francisco Fleet post office).

"Had a letter from Clarence some time back that he had met Dr. Brat-rude, who was looking fine and sends his regards to all. Doc. said Clarence was the first person he had met from home, and I guess they had quite a chat.

"Am enclosing a copy made from the original certificate given Clarence on this trip, to Bremerhaven, Germany. Clarence said that they had the army band playing when they entered the harbor, and that officials came aboard, newspapermen and photographers took pictures, and that they had made a broadcast to the States from aboard ship.

"It was reported in the Chicago Tribune on June 24—

"First Allied Ship Docks at Bremerhaven.

"Bremen, Germany, June 23 (R)—The first cargo ship to enter Bremerhaven since the Allies took over this German port began unloading supplies today for American occupation forces.

"Black Warrior, a Victory ship,

was the first to enter the port, where damaged harbor facilities have been under repair for six weeks. Because the bay still is filled with underwater explosives, minesweepers preceded the vessel.

"From Bremerhaven, the Black Warrior went to Cherbourg, France, and arrived back in the states Friday afternoon. Clarence went to New York Saturday morning to take examinations for junior engineer and made it, and will now be a junior engineer aboard the Black Warrior.

"The copy of the certificate he received is as follows:

"United Fruit company as agents for The United States of America, War Shipping Administration.

"S. S. Black Warrior.

"This certificate is presented to

Clarence W. Dressel, officer, a member of the crew of this vessel.

"The S. S. Black Warrior, built in Wilmington, N. C., 1944, owned by the U. S. A. War Shipping Administration, and operated by the United Fruit company as general agents, entered the port of Bremerhaven, Germany, June 23, 1945; official docking time being 0035 hours.

"The arrival of the S. S. Black Warrior in Bremerhaven represents the first entry of an Allied merchant vessel into this port since V-E Day, May 8, 1945.

"Also, this is the first entry of an American flag merchant vessel into any port in Germany since the cessation of hostilities.

"On this memorable voyage the S. S. Black Warrior cleared from New York, sailing on May 29, 1945, with a full load of U. S. Army cargo and a crew including U. S. naval armed guard and 1 U. S. army cargo security officer; calling at Antwerp, Belgium, enroute.

"This entry into Germany is recorded in the vessel's official log book, page 23.

"Signed, John Duff, master; attested, J. M. Dekreon, act. port representative, U. C. W. S. A., Bremerhaven, Germany; Ship's Stamp, S. S. Black Warrior."

"Guess it's about time I was dropping you, a few lines to thank you

for sending me the News and to let you know where I'm now at," says Elmer LeRoy Hartnell, S 1/c. "I'm on Guadalcanal. Since leaving the States in March, I have also been on the New Helvetia islands, before coming here in May. It sure is hot here and it rains a good deal.

"I have been advanced from the rating of seaman second class to first class this past month.

"The News has just started catching up with me. It sure seems good to sit down and read about what's going on in and around Antioch and also to know where some of the other fellows who are in service are at and what they're doing.

"I sure appreciate your sending me the News and hope you'll continue sending it to me in the near future."

ARONSON SERVES WITH OVERSEAS HOSPITAL AS MEDICAL TECHNICIAN

58th U. S. Army General Hospital, France—Sgt. Roy W. Aronson, 22, of 353 Harden street, Antioch, Ill., is serving as a medical technician with the U. S. army's 58th General hospital in France. The Antioch medic assists the doctors and nurses in caring for the many sick soldiers who are housed at the hospital.

"These sick soldiers receive as much care at our hospital as the wounded do," Sgt. Aronson said. "They get the best of everything here."

Sgt. Aronson has seen two years and five month of service with Uncle Sam's forces. He received his basic and technical training at Camp Grant, Ill. Before reporting for military duty, he was employed by the Johns-Manville company as a mould-maker. His parents, Mr. and Mrs. A. W. Aronson, reside at the Harden street address.

T/SGT. CHARLES N. FLORIO RECEIVES DISCHARGE AFTER 3 1/2 YEARS' SERVICE

T/Sgt. Charles N. Florio received a discharge from the Army Air force June 25 at Fort Sheridan, after serving overseas in the African and European theater of action with the 94th

fighter squadron of the First fighter group. He entered the service Feb. 28, 1942, at Camp Grant.

Campaigns and fields of action in which he served included the Tunisian, Algerian, French Moroccan, Sicilian, Naples, Foggia, Rome, Arno, Po Valley, Northern Apennines, Southern France, Northern France, Rhineland, Air Offensive, European Air Combat and Balkans.

He is entitled to wear the Distinguished Unit badge with two oak leaf clusters, the Good Conduct and European-African ribbons, the ME Theater ribbon with two silver battle stars and two bronze stars, and six overseas bars.

His outfit, Eddie Rickenbacker's "Hat in the Ring" unit of World War I fame, prides itself on having been "first" in two wars. Its "firsts" include:

The first fighter group organized in AAF, France, Jan. 16, 1918; 1st fighter ace, Rickenbacker; 1st airman decorated by French, May 15, 1918; 1st to shoot down enemy plane; 1st in Europe in this war; 1st to fly P-28's; 1st to destroy enemy plane over north Atlantic; 1st to fly over north Atlantic as a unit; one of 1st two groups in Africa; 1st to fly 1,000 missions in African theater; 1st to sink a ship with P-38; 1st to fly long-range strafing missions.

Lt. and Mrs. Nathan J. Beiser of Berkeley, Calif., were guests at a reception in honor of Capt. H. Ertz, USN (Ret.) and Commr. H. F. Hake, USN, at Yerba Buena island, Calif., Saturday evening.

"Guess I had better give you my change of address so I will get the paper without having to wait while

it is forwarded, and again thank you"—M/Sgt. F. T. Farm, A & R Shop 1021, MCAS, Cherry Point, N. C.

The Rev. Pierson's sermon topic for next Sunday for the worship service at the Community Church at 11 o'clock is "The Disturbing Christ." Summer visitors are very welcome, officers of the club announce.

Observer

Good news for housewives was the word that the Office of Price Administration had removed point values from canned tomato juice, mixed vegetable juice and grapefruit-orange juice blends.

A deep impression throughout the nation was created by the news that U. S. Senator Hiram W. Johnson of California, dean of Republican senators and many times mentioned as a possible presidential candidate, Monday in the naval hospital at Washington, D. C., at the age of 79.

One of his last great senate fights was against the passage of the teen age draft bill.

Johnson served as governor of California from 1910 until 1916, when he was first elected to the U. S. senate. He was instrumental in writing into the California constitution such provisions as the initiative, referendum and recall, the direct primary, woman suffrage, and wiping out of national party lines in municipal and county elections. He was also a leader in bringing about state legislation for workmen's compensation, limitation of hours of work for women, creation of a state marketing department, regulation of railroads and prison reforms.

Although he was most widely known as one of the leaders in opposition to the League of Nations, he

was throughout his senate career a striking figure of leadership. He was co-author of the Swing-Johnson act that made possible Boulder Dam, and also took a deep interest in California's Central Valley project.

He broke with his party on several occasions, one of them in 1932 to lend his support to President Roosevelt. He, however, opposed the President on many major issues during Roosevelt's second term, and campaigned against him when he decided to run for a third term.

Described as one of "the old school of gentlemen," whose courtesy was outstanding, even in times of stress, Johnson will probably also go down in history as one of the "old school of statesmen," ranking comparably in his own era with such "giants" of other days as Clay, Calhoun and Webster.

Venereal Infection

It is possible to catch a venereal disease from china, silver, towels, toilet seats, etc., that have been in contact with one suffering from such a disease but not as frequently as supposed. Syphilis and gonorrhea germs are short-lived and are dead upon drying. One would have to contact a germ-laden surface with an open cut or sore, immediately after the germ had been deposited, in order to achieve this. Damp toilet seats can be dangerous, for germs may still be alive when you use the seats.

Seamy Housing
A survey recently reported by an engineer of the Federal Housing administration shows that in only one house out of 10 constructed in years prior to the war was the house completely insulated and weather-proofed.

Crop Harvest Loans Are Now Available

The Emergency Crop and Feed Loan office, Farm Credit administration, is now accepting applications for loans for harvesting of crops for market, the production of winter grain crops, and the purchase or production of feed for livestock.

The loans for the expense of harvesting crops for market are secured by a first mortgage on the crops to be harvested. These loans are due on November 30, 1945. Loans are available for the production of winter grain crops and are secured by a first mortgage on the crops. The loans for the purchase or production of feed for livestock are secured by a first mortgage on the livestock to be fed. The winter grain loans and feed loans are due August 31, 1946. All loans will bear interest at 4 percent per annum and are repaid from the sale of crops or from sale of livestock.

The loans are available to all farmers who can establish eligibility and who are unable to obtain credit from a Production Credit Association, bank or on reasonable terms from other sources. Either owners or tenants who own or have the use of the necessary workstock and equipment and who can give a first lien on their crops or livestock may file their applications for a loan.
